

CPBN AWARD PROCUREMENT CONTRACTS WORTH N\$1.4 BILLION IN THE LAST TWO QUARTERS

The Central Procurement Board of Namibia (CPBN) awarded thirty-five (35) procurement contracts to the value of N\$1.4 billion in the last two quarters of 2023/2024. As part of our five year strategic plan, the Board has undertaken to empower Namibians by ensuring that 80% of the annual procurement awards are awarded to Namibians. In total, thirty-two (32) procurement contracts to the value of N\$932 million were awarded to 100% owned Namibian companies during the period under reporting, while N\$512 million worth of procurement contracts were awarded to Namibian Joint Ventures with foreign entities.

The Central Procurement Board of Namibia (CPBN) was established as a juristic person by the Public Procurement Act, 15 of 2015, as amended, with the following mandate:

- To conduct the bidding process on behalf of public entities for the award of contracts for procurement or disposal of assets that exceed the threshold prescribed for public entities;
- To enter into contracts for procurement or disposal of assets on its own behalf or on behalf of public entities awarded by the Board as contemplated in paragraph; and
- To direct and supervise accounting officers in managing the implementation of procurement contracts awarded by the Board.
